

A clear path for Example Client.

Prepared for Example Client

Recommended proposal · Reference ba54aff3-c44b-4856-b2d6-5cf46ae16caf

Executive summary

Northstar Studio proposes the recommended engagement for Example Client, based on the supplied brief and the scope shown below.

Objectives

- Deliver the agreed scope with clear review checkpoints
- Give the client usable handover materials

Scope

Recommended scope includes: Website discovery, CMS page implementation, Responsive page design, Page wireframes, Analytics implementation.

Deliverables

- Website discovery
- CMS page implementation
- Responsive page design
- Page wireframes
- Analytics implementation

Exclusions

- Unlisted services and third-party fees
- Legal, trademark, or regulatory sign-off
- Additional revision rounds beyond the agreed milestones

Assumptions

- One agreed review cycle per primary deliverable
- Final content and access are supplied by the client

Schedule

twelve weeks

Milestones

1. Discovery and scope confirmation
2. First deliverable review
3. Revisions and client acceptance
4. Final handoff

Client responsibilities

- Provide timely feedback and a single approval owner
- Final approved copy and photography are available.

Acceptance steps

1. Review the scope, assumptions, exclusions, and total
2. Use the customer review page to acknowledge acceptance or request changes

Sample terms

Start after the approved statement of work and agreed deposit.
